MINING

Table of Contents

01.

FIRE ASSAY CONSUMABLES

Cupels & Crucibles
Thermocouples
Ceramic Brackets
Lead Foil
Hotplate
Silver Wire
Vertical Spindle Disc
Steel Wool
Cathode Lamps
Test Sieve
Sieve Shakers

02.

PROTECTIVE GEAR PERSONAL PROTECTIVE- EQUIPMENT (PPE)

Chrome Leather Apron
Heat Resistant Gloves
Fire Retarded Suits
Masks
Eye wear
Aluminised Gear

03.

WATER TREATMENT

DPD Tablets
Floculant
Assay Litharge
Fluxes and Pre Mixed Fluxes
Activated Carbon
Chlorine Granules
Hypochlorite

04.

PH METERS & BUFFER SOL

Ph Meters
Ph Paper, Buffer Solution
Dissolved Oxygen meter
Gas Detector

05.

SCALE & BALANCES

Precision Scale
Pulp Density Scale/
Marcy Scale
Digital Crane Scale
Floor Scales
Precision Digital Scale

06.

GLASSWARE

Conical Flask
Volumetric Flask
Beakers
Measuring Cylinders
Reagent Bottles
Pipettes (Bulb & Graduated)
Test Tubes
Rod Thermometers
Petri Dishes
Watch Glasses
Stirring Rods

07.

MISCELLANEOUS

Spatulas
Retort Stand/ Burette Stands
Stop Watches
Twizzers/ Forceps
Whatman Filter Papers
Test Tube Racks

08.

CHEMICALS

Acids
Nitrates
Sulphates
Chemicals
Other Chemicals

1 FIRE ASSAY CONSUMABLES

Cupels

No.7, No.8, No.9

Our range of premium grade fire assay crucibles are manufactured using high quality raw materials. We supply the following range of crucible sizes as below. Stringent quality control process ensure uniformity in size, quality, strength and resistance to thermal shock. We are also the leading supplier of silicon crucibles

Salamander Crucibles

A10, A40, A60, Tpx300, Tox843, Ax100...etc

Assay Crucibles

No.2, No.3

High quality with maximum resistance to thermal shock

Thermocouples

Ceramic Blankets

Lead Foil

Hotplate

Silver Wire

Vertical Spindle Pulveriser Disc

Steel Wool

Test Sieve

Cathode Lamps

Sieve Shaker

2 PROTECTIVE GEAR

Personal Protective Equipment (PPE)

We provide high quality durable safety gear to ensure safety when handling hot, acidic or pungent equipment.

Chrome leather apron

Heat resistant gloves

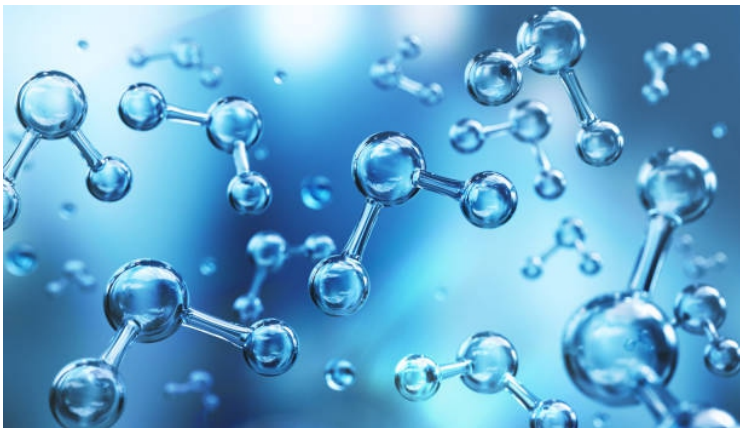

Fire retardant suits (kelvar material, aluminised)

Masks

Eye wear

Aluminised gear

Water Treatment

We offer the following products:

DPD Tablets
Floculant
Assay Litharge
Fluxes and Pre Mixed Fluxes
Activated Carbon
Chlorine Granules
Hypochlorite

4 PH METERS & BUFFER SOL

PH Meters

We supply high quality and portable & bench top instruments for your everyday lab needs

Bench top pH meter

Portable pH meter.

Pocket pH meter

PH Paper, Buffer Solution

Need a quick and easy way to test pH ?

These are the best tools

Ph test paper

Buffer solution

Dissolved Oxygen Meter

Gas Detector

5 SCALES AND BALANCES

We boast a large variety of scales from 0.1-0.001 range of accuracy:

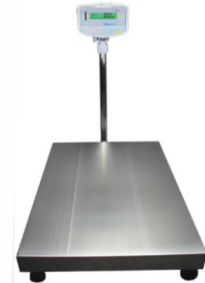

Precision Scale

Pulp Density Scale/
Marcy Scale

Digital Crane Scale

Floor Scales

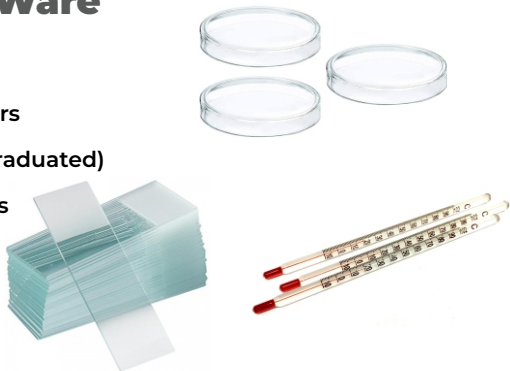

Precision Digital Scale

Lab Glass Ware

Conical Flask
Volumetric Flask
Beakers
Measuring Cylinders
Reagent Bottles
Pipettes (Bulb & Graduated)
Test Tubes
Rod Thermometers
Petri Dishes
Watch Glasses
Stirring Rods

Lab Plastic Ware

Beakers
Measuring Cylinders
Petri Dishes
Wash Bottles
Pipette Droppers

Measuring Cylinder, Pipette

10ml-200ml Boro-Silicate measuring cylinders.

5ml-100ml Glass pipette

7 MISCELLANEOUS

Spatulas
Retort stand/ Burette Stands
Stop watches
Twizzers/ forceps
Whatman Filter papers
Test tube racks

Acids

Nitric acid
Sulfuric acid
Ammonia solution
Perchloric acids
Hydrochloric acid
Hydrogen peroxide

Nitrates

Silver Nitrate Crystal & Sol
Sodium Nitrate

Sulphates

Ferrous sulfate
Sodium Thiosulfate

Chemicals

Lead metal
Zinc metal
Buffer solution

Other Chemicals

Lead Metal Shots
Zinc Metal Granules
Sulphur powder
Caustic Soda
Silica Flour
Borax Anhydrous
Flourspar
Assay Premix Flux
Coarse Salt
Cyanide Antidote
Potassium Iodide Sol
Stannous Chloride
Phenolphthalein Indicator
